sin for us and made sickness for us and at that point when He died He knew the Father was going to raise Him from the dead, a new creation Man. When God the father raised Him, Jesus believed that the Body of Christ, the church would be birthed in Him and would rise with Him from the grave. Death could not hold Jesus. Death is a personality like sin and the devil, if it cannot find a place in you it cannot rule you. In Christ's life the devil could not find a place in Him so when Jesus went to hell He was a righteous spirit. Death could not hold that righteous spirit so Satan

had to release Him. Jesus overcame death and he overcame sickness and disease. He took sickness and disease with Him and left it in the grave. As far as the new creation is concerned the battle is won over sickness and disease, and we need to enforce the victory of what He has done for us.

When God raised Jesus from the grave and quickened Him, He also quickened us together with Him. He raised Him up and made us sit with Him at the right hand of the Father, the place of authority. Christ at the right hand of the Father as our great high priest means we have a "Man" in the glory who represents us, His body. In Hebrews 1:4 it says 'He has been given a more excellent name than the angels'.

So Jesus overcame Satan's powers. When Christ arose we arose with Him because we are His body. You never see anyone going around with just the head, no you always take your body with you. If the head is raised the body is raised too. It says we are seated together with Him. So we as His body have the same authority as Jesus has. The principalities and powers are under our feet, we are far above them.

Jesus has given the church, His body,

the Power of Attorney to use His name. We can use His authority on the earth. "Whatever you bind on earth will be bound in heaven. Whatever you loose (as part of the body of Christ) on earth will be loosed in heaven" (Matthew 16:19).

"Whatever you ask the Father in my name", He said "I will do it" (John 14:13-14). So God is saying He has given us a signed cheque on the resources of heaven and He is telling us we can fill it in with whatever we want. Whenever we say "in the name of Jesus" the whole of heaven comes to help us.

Now all power and authority has been given to Him in heaven and in earth. If you drove down the road and the traffic lights had failed and a policeman was directing the traffic you would not run the policeman down. You would stop because he has authority. The policeman does not have the physical power to hold back the cars but he has the authority- he has a badge on. It is the same with us. We do not have the physical power over the powers of darkness but we have the authority over them and when we exercise that authority the enemy will leave us because 'Greater is He that is in us than he that is in the world' (1 John 4:4)

We need to meditate on these things until the light of the knowledge of the gospel floods our hearts and we are transformed into His likeness. (2 Cor 3:18).

James Kotey the pastor of New Wave Revival Church a Glory, type Church in Accra Ghana has been staying here in Essex for 7 weeks. We have had sweet fellowship with him at Basildon and he travelled with us to the Coventry Autumn Glory Convention. He shared with us testimony of how God is moving in Ghana and the needs for his church there. We have decided to link the Basildon Church with his Church in Accra as we reach out to God for a harvest of souls. We are also helping James to raise funds to buy land for a permanent church in the city of Accra. The cost is in the region of £7-8,000 anyone who would like to contribute in some way is encouraged to send donations into the Glory Office for us to transfer to him in Ghana.

**MEETINGS NOW 11.00 AM SUNDAYS**

At Noak Bridge we are changing the time of our Sunday meetings from 3.30 p.m. to 11.00. We are doing this for several reasons. Currently the afternoon meeting time is not convenient for new people it breaks up the day and makes it awkward to meet family commitments. Morning can also be more convenient for those travelling from a distance allowing them to travel home in day-light hours. Outreach weekends will also start at 11am followed by a meal or barbecue. We are praying that more people on the Noak Bridge estate will be able to come along to join us at the revised time. We plan a prayer meeting at 10am Sunday's praying for God to move in a greater measure in our area. It's exciting times, Hallelujah !!!!!!!!!!!!!!! Many of the children in the Basildon meeting have given their lives to Jesus in the last eighteen months. The young mums group is still going strong once a month, two of them were baptised during the Glory Holiday.

**Shirley and Alan**

What does God want? what have we to offer Him? He came and saved us from our sin what can we offer Him in return?

I believe all He wants from us is our body; to live in.

You and I as Christians are the body of Christ here on earth. There's nothing else here on earth that He wants, God wants to take possession of us body, soul and spirit. He wants our bodies to be a living sacrifice for Him. We read in Romans 12:1 (NKJ) 'That ye present your bodies a living sacrifice, holy, acceptable unto God which is your reasonable service.'

It amazes me that God had to ask Mary if she was willing to allow Him to use her body, to allow Jesus to be born in her flesh. What if she had said no! I believe God's hands were tied until Mary said, 'Behold the handmaid of the Lord; be it unto me according to thy word.' Luke 1:38. God chooses to work through us here, He gave His Son for all of us. What can we give to Him in return? 'A body for Him to live in!'

Jesus came in human form because there was no other way God could redeem us, He needed that body. If He came here as He is in Spirit we would be overwhelmed by His presence just like Moses was Heb. 12:21 'so terrible was the sight, that Moses said, I exceedingly fear and quake.'

It seems incredible to me that God has to have a human body to operate in this earth realm we live in. I have noticed He mainly chooses to operate through peoples flesh.

God uses ordinary men and women, willing to allow Him to live in them and bring change to the world.

Moses the Prince of Egypt in hiding in the desert for 40 years. Gideon threshing wheat in the dark to hide from the Midianites.

**GOD NEEDS YOUR BODY**

What are you hiding from? God will search you out like Moses and Gideon! Eze.22:30 says God's Spirit searches for a man to stand in the gap 'And I sought for a man among them, that should make up the hedge, and stand in the gap before me.'

God needs you! Are you ready to listen to His voice like Mary? and allow God to bring deliverance to this generation. He is not at all concerned what we have to offer, our skills or talents. He tells us in 1Co.1:28 'And base things of the world, and things which are despised, hath God chosen, yea, and things which are not, to bring to nought things that are:'

It's not our ability it's our availability, God is looking for vessels sanctified to His purpose.

Henri in the 60's coined a phrase, 'It's in You'. That has stuck with us and is still as real today in our ministry. The hallmark of Glory Meetings has always been and still is our willingness to let God move unconditionally pouring out His blessings in whatever way He chooses.

You say what is it that is in me He wants? It's the body ministry of course, we the church are God's body and we have the choice to let God use us or say no and just sit back and stop God flowing through us.

Could it be that God want's to birth something here on earth and we are saying hold on can I let God use me. We must stop looking at ourself and look at Him!

The parable of the talents Matt 28, is challenging, do we bury what God has given us, to use or do we use it to bring others to Him. If we bury it, it leads to spiritual death. (read the end of the parable that's what it says). Our whole life is dependent on our obedience to His Spirit.

God has planted something unique in each one of us. We all have something significant and personal to us, planted there by God. He did it to offer us through His Holy Spirit an opportunity to birth something new into His world each day.

Alan Churchill.

# Well Oiled for God's Glory!

During September the Newark Fellowship enjoyed a weekend of fellowship and rejoicing at Alison House in Cromford, Derbyshire. Billy Pepper and his son Steve, with whom we have maintained strong contact over the years, manage the House. All of the staff there are also Christians, which helped to create a lovely atmosphere for the weekend.

Following the Saturday night meeting, which was attended by a number of locals, some of whom we know from past fellowship, I found it hard to switch off and get to sleep. The theme of my musings was body ministry and the way we need to integrate in His service.

My mind went back to the time I was employed by a firm in Newark, England, which made ball and roller bearings. The bearings consisted of inner and outer steel rings and a cage of brass or plastic to hold the balls. The bearings were precisely made to fine tolerances. However, size variances often occurred and the skill was putting the different elements together in such a way as they all neatly fit, providing the best final product. The bearings were used for a variety of purposes - some were used as art works and some in the mines. Accordingly the latter were made to rougher tolerances. You do not have to be beautiful to meet God's purpose.

Cut from steel rods the large cylindrical pieces were gradually worn down, refined and polished and made into spheres in an abrasive barrel. Some balls only measuring only one-thirty-second of an inch.

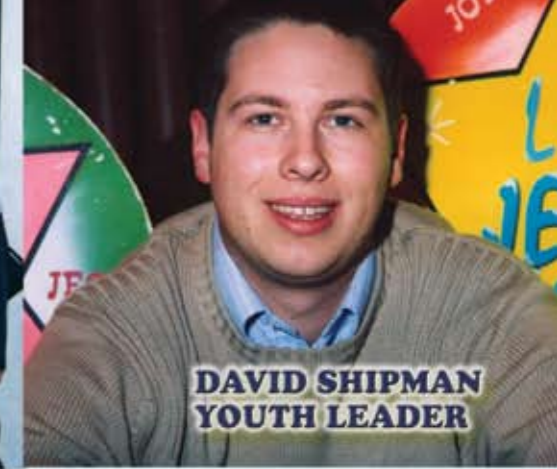

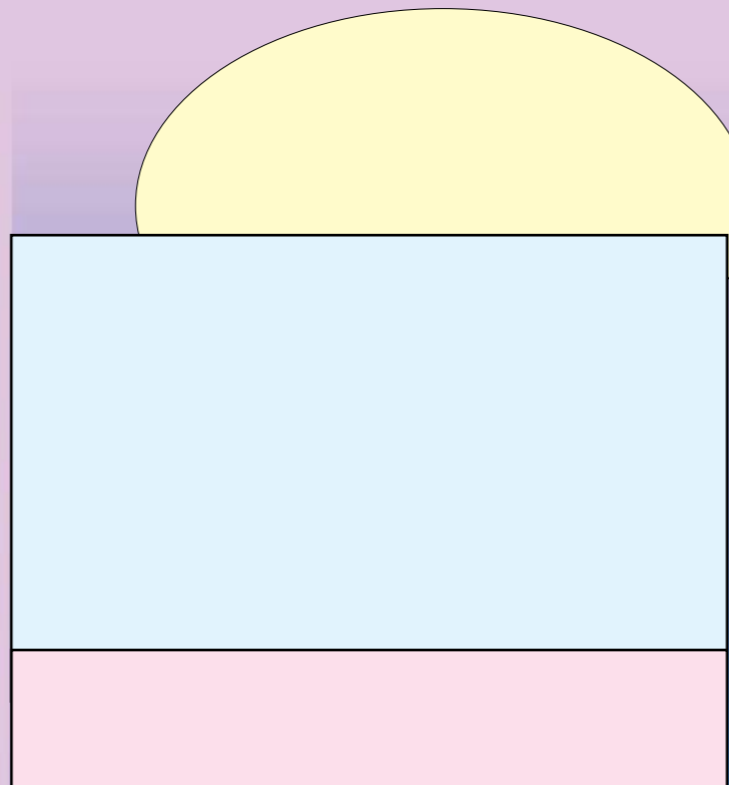

This reminds me so much of my Christian walk, and how many times we need another barrel experience. Finally the oil was applied to keep the bearings running smoothly and to avoid overheating. The Head Designer was the man who watched over the development of the bearings. How much we need to invite our Head Designer and listen to His instructions as we being built and fashioned by Him. Ephesians 4: 15 and 16 sum it up so well.

May the Lord keep us well-oiled and smoothly running together for His Glory.

# Built and Fashioned For Him

Praise the Lord everyone! I am writing this after the Coventry glory convention where we were hit with a Holy-Ghost tsunami! We experienced wave upon wave of pure glory and tremendous blessing after a heavenly eruption of power and anointing. If you were there, you know that you must get yourself booked in for next April. Get booked in today and please ring if you have any questions.

The Lord has been revealing to me about the power that He has invested in us. Jesus said that 'I have given you all authority to trample on snakes and scorpions and over all power of the enemy'. (Luke 10:19) He has given YOU the power and authority and it is YOUR responsibility to act in that which He has already given YOU. The difficulties in our

Before the Glory holiday I was in a place where I was happy with life but during the convention God really touched me and I felt He was pushing me on deeper into Him. I used to think that if God wants me to step out, then I will do it later, however God has put something in me starting with the Glory Convention and through other events in the summer to really move forward into the plans that He wants me to step into.

Paul Featherstone, Peterborough.

Well, I thank God for my life because a year ago, I was dead in the world. Now, I am alive in Jesus. As a result, I want to praise Him and give Him the glory and encourage other people to find God in Clacton. As for myself, I don't think I am doing it as much

as I should. However, since going to the Glory conventions, I have had words from different people that makes me think that I am just going to give it all to the Lord and trust Him from now on.

lives can be overcome by praising and lifting up the name of Jesus, the name that is above every other name. We have had a fantastic year in the Glory way. 2004 is the year we have had more, but let's keep pressing on, knowing that we are made whole and complete in Him and seated in heavenly places - Glory!

David Shipman Coventry

I'm Becky and I got dragged in to these meetings but I must say I have not regretted it one bit. I have really enjoyed coming to these meetings. Jesus came to set those who are bound totally free. He has come to proclaim liberty to the captives. We see animals that are in captivity who are pacing up and down wanting to be free, however when someone comes and sets them free, they are still pacing because they do not realise that freedom is now theirs for the taking. The cage that they have is no longer a physical barrier, it is now a cage of the mind. We need to work on this in our own lives. We must have our minds continually transformed, realise we are free and we can do this by reading the Word of God.

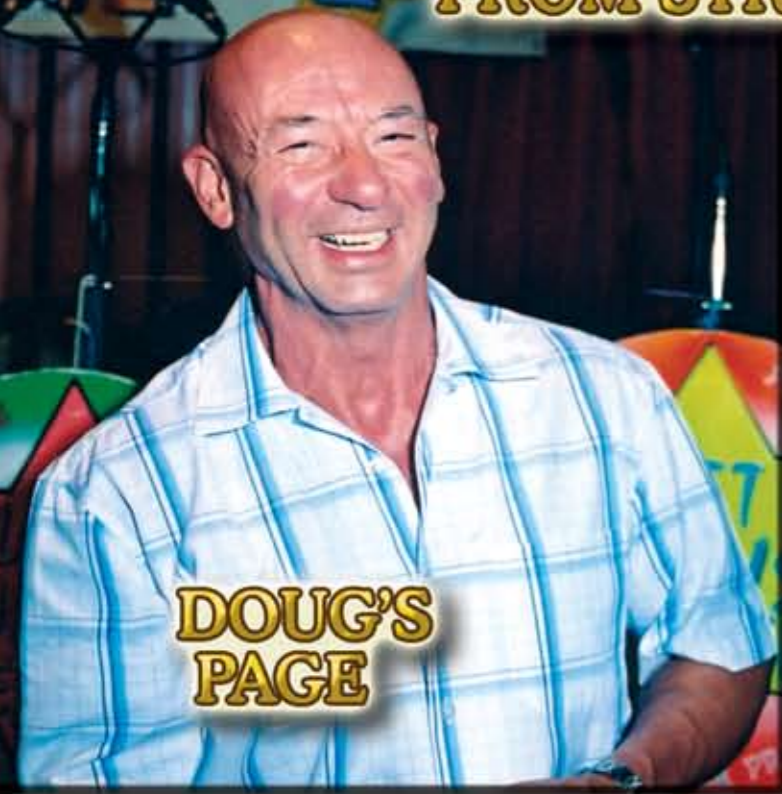

Becky Rudge, Isle of Wight

The song that has blessed me so much is 'You've touched my life and I shall never be the same'. God has truly changed my life! I am from Pakistan and I was so critical of the things of God even though I was brought up in a Christian home. I was baptised two years ago after being healed from Hepatitis. The doctors had given up on me and I was at death's door. Despite what the doctors say, my mum still believed God for me to be totally healed. However, when I was ill I prayed to God to heal me and I had a dream that the Lord was holding my hand. After this, my health totally changed and I recovered. I stand before you today as a 'living testimony of God!'.

# FROM STRENGTH TO STRENGTH

**DOUG'S PAGE**

on tapes but coming out soon is the whole series on DVD, we will let you know when they are out. Gordon's message is a must for all Christians wanting to grow and move on. In Wales this year, it was such a blessing to so many, with people being changed and delivered from depression. The same trend occurred through the Holiday with so many young folk being touched by His Spirit. What a blessing they are; Coventry this October was tremendous with many being changed, people have written to me saying how their lives have been changed by the Holy Spirit. Get to the meetings and don't miss out, there is a tremendous move taking place.

Peter Newman and his lovely wife attended the meetings in Wales and has sent me a testimony which you can read on the opposite page.

Peter has produced a book called 'God's Donkey', in the review it reads

'Young Peter Newman ran away from home, fell foul of the law and finally hit rock bottom when he joined the ranks of the down-and-outs on London's Thames Embankment.

Life seemed at an end almost before it had begun.

Yet the God who seemed nothing more than a hangover from a past generation was about to break into his life with dramatic reality.

Here Peter shares with unusual honesty the successes and failures of his life since then. Through it all he demonstrates that God is bigger than our mistakes, and requires only that we be faithful to him, whatever our calling.'

The book is free, you can acquire one through ourselves via the bookstall at meetings.

As I have already said, we can become stagnant in our religion – ring a ring o'roses. Come on over, come and join us, otherwise you will find that you are continually playing the same note.

I have heard grumblings from old stagers saying the meetings are not like they used to be. No, no I say, of course they are not; it's 2004. We have moved on and

the meetings are better than ever they were. It's a new day, fresh and clean with great expectancy. GLORY HALLELUJAH! I thank God daily that He has helped me to keep my mind uncluttered and that I may go at His bidding. Keep on keeping on.

*Much love to you all in Jesus, Doug Aistrup*

Dear Brother Doug,

I was first introduced to what was then known as Henri's Glory meetings in 1959.

I had just received the baptism of the Holy Spirit, so these meetings fitted in with my new experience of liberty, freedom and openness that I had experienced in my new life with Jesus my saviour.

Having now travelled for the past forty five years preaching, teaching the bible and encouraging the who-so-ever, what a delight and surprise to walk into a meeting in North Wales, seeing and hearing again the praises and testimonies of God's people.

Nothing had changed I was in a glory meeting, floods of joy filled

Lord Jesus, I need you in my life. I believe You are the Son of God and that you died on the cross for me. Please forgive me for all of my sins as only you can. my whole being. The North Wales coast is noted for its fresh air, those spring bank holiday Glory meetings were indeed truly for me, spiritual fresh air, also the glory was still going on forty five years later.

The anointing that was in the meetings made me very aware of how I had allowed myself to become bogged down with the religious orders and concepts. It took the Holy Spirit to make me realise what was missing in me and in many churches.

In these meetings you could feel and sense the presence of Jesus, and that's what Glory is. Christ dwelling in his people, Christ in you, the hope of glory. (Colossians 1 v27)

**Alan and Doug at Walton**

What tremendous times we are living in, the Holy Spirit is moving among us in even greater power and demonstration, setting people free from all their mind clutter. Help him clean out your rooms. He has given you a mind – use it to make decisions for yourself. He does not want you on a religious round-a-bout but operating spontaneously as His Spirit gives you utterance. Throw off the chains of opinionism (what others think); it does not matter. Be who you are, come away from the years of programming which were instilled in you in your earliest years and be willing to change, then He will change you and bring you into greater vistas and a new and care free life.

The Holy Spirit wants to get your body moving so that He can use your arms, feet, legs and hands. Come and have a good drink. When you partake of this wine it does not give you a hangover but it fills you with much joy. "Ah – but how do I partake of this wine?" you may say. Well, you fall in love! Ask Jesus to come into your heart and life. It is no good experiencing it through your mind like many do. The Holy Spirit has to touch your heart and when you fall in love, something happens to your innermost being. He will touch your nerve centre and you will then feel his joy welling up within. He will then say "come let us make merry, let us partake of the fruits"

Many difficult and sometimes traumatic things can take place in your life but when you fall in love with Jesus, divine adjustment takes place and all of the other things that God has for you will fall into place, bringing an abundance; it is so easy. He will bring everything to you that you need; do not shy away from what God wants to do in your life, if He is first, all things will work together for good. Get hung up with Jesus and all these things will be added to you. Jesus is the Head of the body and the government shall be upon his shoulders. You are part of the body; the only thing that will separate you from Him, is your mind. Hunger after him; more Lord, more.

Our meetings have gone from strength to strength. We are privileged to have so many among us who have such powerful ministries – get the tapes and listen. Gordon Davis has been ministering on 'the Kingdom of God', you can get his messages
