

PASSIONATE FOR GOD

What the church needs is not Presentation and lots of words, but the Demonstration of the Power of the Holy Ghost with Lots of Miracles.

lot of copying going on, spontaneous things are not allowed to happen, everything is controlled because of fear. Where is the faith to let go and let God?

It appears the church is even trying to compete in the world's music scene, much noise and lots of hype. You can go to most of the main stream churches and find a rehearsed performance with identical songs sung week by week with great gusto but very little anointing and little message. The purpose of our heritage of Christian songs and hymns, is that the entire congregation sing and confess their faith and longings together in unison as the Spirit spontaneously directs. The Spirit is able to direct and anoint God's people directly; deep within, as the praise and worship brings the manifest presence down into the congregation. We need a visitation of the Shekinah presence countrywide, where no individual is able to stand and minister, just to worship in the beauty of the Holiness of His presence. Listen to some of our music this year when the Spirit starts to move it's not pretty, many of our better singers are prostrate on their backs under the power of the anointing, being changed.

Much of the Christian music we see even on Christian TV is indistinguishable from the world's music scene, it even portrays much of the same raunchiness. It's just entertainment not life changing. How do young people determine the boundaries of what is acceptable and what is God's way if the church compromises its music.

I have a passion to see our countries youth on fire for God, what they need to feel is the power of the Spirit of God moving deep within them.

Praise God! we are beginning to see it happening. A fresh wave of Holy Ghost Revival demonstrating to them that God's Kingdom is real and relevant. Since late last year the prophetic among us has predicted a greater anointing in our gatherings, all the meetings since have felt a new impetus. I sense that God is sending a new wave of His Spirit, a whole new revelation of the potential in His Kingdom message. "Thine is the Kingdom the Power and the Glory".

Personally I have been challenged to come before God and encourage our people to pray and fast, not that we might persuade God to do something about it: NO! The challenge I believe is that we allow God to change us inside and make us ready. Brothers and sisters join me in seeking the face of our God so that we become more attuned to what He wants to do in the coming days before Jesus returns. I believe He's ready but are we.

Father we pray you will anoint our young peoples lives to demonstrate your love and power to the current lost generation in a mighty life changing way.

Alan Churchill

What do you feel passionate about? What is it that makes you come alive? What makes your life worth living? The Bible shows us Jesus' passion was for the condition of others. He died for you and me! He came to bring joy and gladness into other lives. Wherever He went joy and excitement broke out, people were set free from sin, sickness and oppression. He demonstrated God's power in many unusual ways.

After Jesus was caught up, things suddenly took off. At Pentecost, Peter and the disciples were set on fire with passion for the people. The purpose of being filled with the Holy Spirit is not just to speak with other tongues and give each other pretty messages. It is to be filled with the passion of Christ, to see a vision of Christ's love and be directed by His overwhelming joy, deep within. Signs and wonders are bound up with passion for God. That's what stopped people in their tracks when Paul and Silas sang and made them ask, "What must I do to be saved", Acts 15:25-26. At midnight the prison foundations were shaken, everyone was set free.

The day of Pentecost was not a media event it wasn't a presentational outreach like many of the happenings in Christian circles today. Peter didn't get up and make a pretty, homiletic speech quoting chapter and verse, thanking everyone for being there; he just got filled with the Glory of God and exploded. It wasn't a pretty sight, true Pentecost isn't pretty the anointing is not a marketing exercise. Many of our meetings this year haven't been pretty, when you see our DVD's or Videos, but the anointing has changed people's lives.

What the church lacks today; is boldness like Peter prayed for in Acts 4:24-31. The church needs to feel the earth move under it, to be shaken like Paul was in prison. Change has to take place in us, the worldly mind set dealt with, then everything we engage in becomes fresh and anointed. We are not here to just entertain and tickle each others ears, we are here to challenge and bring change.

So much of even the progressive church today is a stereotyped performance, there's little room for the Holy Ghost to interfere in the pre-prepared typical church service. There seems to be a

Jesus has dealt with many things in my life. One of the best decisions I made was to come to England in late 2001, it deepened my walk with God. I returned to Australia for a year in 2003 and during that time a Benny Hinn crusade took place in Brisbane. It was positively awesome! At one of the meetings I received a mighty touch and when I opened my eyes I had a vision of England. I believe God was calling me back to this country. I have now been in England for the last year! God has blessed me, beyond my imagination. He is always our strong tower through all situations, we just need to step out of our comfort zone, hand it all over to Him, and He gives us the victory!! No matter what's going on in our lives, we need to put our trust in Him.

Rebecca Watts

When I came to England in September 2004, I was in search of a place for fellowship. One of my friends and I were driving through Noak Bridge and passed by 'Noak Bridge Christian Centre'. There was a man opening up the gates. The man was Alan, the pastor of the church and he invited me in with open arms. I found it difficult to understand the accents in this country and therefore struggled with communication. Through the help of God and the people of the church my struggles have become my strengths. I thank God for bringing me to this church. I've found love and peace which I have never felt before. In Jesus there is real love. When you come to Him, He's ready to forgive your sins, to love you and give you strength. I am really blessed to be part of the fellowship.

Patricia Chirwa

I have grown up in the Glory meetings. I gave my heart to the Lord when I was eight years old, God is good! He has blessed me throughout all my life. I recently passed my driving test after much prayer. So prayer works! Jesus found me a great job that I enjoy. I am looking forward to the next convention here in Basildon.

Praise Him! The holiday in Walton was completely life changing. When you let go of circumstances and trust God's word, you can't help but change. The slogan for Nescafe coffee is 'DON'T SETTLE FOR ANYTHING LESS'. God has really been speaking to me about knowing there are no limits with God. He wants to take us in to a place where it seems impossible. I am now working in a junior school here in Basildon. It is a total God given job. I couldn't see myself teaching because during my school years I didn't do very well, in fact I would say I hated school. I was the 'trouble maker'. It is amazing what God has done. I was offered the job before even having an interview! In the world this doesn't happen, but Jesus opened a door for me. I want to encourage you to not look at your circumstances and know that they are temporary. Stop saying 'it can't be done', but say, 'it can, anything is possible with God!' God is for you, not against you! John 10v10 says, 'Jesus has come to give you life to the full, so don't limit yourself and go for the full life God has given you'.

A WONDERFUL MIRACLE

I was born 27 November 1925. I am nearly eighty years young!

I must start by giving praise to the Lord. My whole being praises the Lord and blesses His holy name. I realise how precious God is to me. I thank Him for sending His Son to die for you and me. He has taken my sins from me. As a father has mercy on his children so the Lord had mercy on me.

"I waited patiently for the Lord; and he inclined to me and heard my cry. He also brought me up from a horrible pit out of the miry clay and set my feet upon a rock and established my steps. He has put a new song in my mouth praise to our God "Psalm 40:1-3

I thank the Lord for what He has done for me because He has had mercy on me.

Four years ago the Lord brought me through a dark time when I had a major operation to remove a tumour in my stomach. I was in Intensive Care for eight months with a tracheotomy in my throat and whilst recovering in hospital contracted septicaemia, pneumonia and MRSA. I went down to four stone in weight and lost my hair because of the treatments. My family were called in on more than one occasion as I was expected to die. Even the nurses had tears in their eyes as they cared for me.

At this time I prayed to the Lord in my heart and Caleb had a different spirit, a spirit of faith.

Following this God appeared to Joshua in chapter 6 as the Captain of the Lord of Hosts who would lead them and this confirmed to Joshua his calling as leader of God's people. When Joshua years later had fulfilled his calling, the word of God records in Joshua 21:45 "Not a word failed of any good thing which the Lord had spoken to the children of Israel. All came to pass".

Whatever trial you may be facing today, God is commanding you to be strong and very courageous because the captain of the host of the Lord, will come to you in the person of the Holy Spirit to strengthen and encourage you.

Isaiah 41:10 says "Do not fear for I am with you, do not be dismayed for I am your God. I will strengthen you, yes I will help you, I will uphold you with my righteous right hand". Ephesians 6:10 says "Be strong in the Lord and in the power of His might" Notice the word only in Joshua 1:7 and 1:18 only be strong and very courageous.

There is another time when the word only is used in scripture in Luke 8:50 when Jesus spoke to Jairus and said "Fear not believe only and she shall be made whole". Jairus was one of the rulers of the synagogue a prominent man. When he saw Jesus he fell at His feet and begged Him earnestly saying, "My little daughter lies at the point of death. Come and lay your hands on her that she may be healed and she shall live". Jairus had heard and seen

hospital bed with all the tubes in me. I remembered the song we sung in church, 'Breathe on me breathe of God'.

This is the word the Lord gave me and I treasure it with all my heart, where in John 14:27 Jesus said "Peace I leave with you. My peace I give to you; not as the world gives do I give to you. Let not your hearts be troubled, neither let it be afraid".

I called on the Lord and He heard and answered me. The doctors did not think I would come out of hospital alive neither did my family. God knew best and healed me. My family and friends are still amazed at my recovery and still to this day tell me I experienced a miracle. Since coming home my weight has increased from four stone to nine stone. It is wonderful.

Oh! that we would learn to believe the promises of God, He does not go back on His word. The Holy Spirit is always ready to manifest His power in us.

Now I live to please the Lord. I know He has a work for me to do and that is why He kept me here. I want to see all my family come to the Lord, including my husband Jim.

I love to pray and talk to the Lord during the night hours and I cannot thank Him enough for what He has done for me and the testimony it has been to my family and neighbours.

Doris

I know I would not have come through such a time of serious illness without the support and prayers of my local church in West Street Christian Centre, Gorseinon. I appreciate so much the love and fellowship I receive as I gather together with fellow believers each week to worship and hear God's word. I would encourage you to believe God because our Lord Jesus is able to reach out and bless you as you support your local church.

the miracles and believed if Jesus came to his house and prayed for his daughter she would be healed. He had it all figured out but God had a greater plan, there would be a resurrection!

The woman with the issue of blood interrupted their plans. She needed her healing too. But she did not need Jesus to come to her house, she thought I only need to touch the border of His garment and I will be healed. It was against the law for her to be in a public place because of her physical condition but her faith caused her to press through the crowd and touch the hem of His garment. Jesus perceived that virtue flowed out from Him and she was healed.

Jairus was not disappointed even though his daughter who was sick had died. His daughter was raised up and brought back to life. He believed the words of Jesus in Luke 8:50 "Fear not believe only". This brought great joy to Jairus's house that day. Salvation came to his house!

Let's remember the words of Jesus- "Fear not, believe only"

ONLY BE STRONG AND VERY COURAGOUS!

by Sarah Davis

God commanded Joshua to be strong and very courageous because he was to lead the children of Israel into the Promised Land. Israel had wandered in the wilderness for 40 years, a long time to be in unbelief. In Deuteronomy 1:38 God spoke to Moses and told him that "Joshua, son of Nun who stands before you, he shall enter there (the land), Encourage him, for he shall cause Israel to inherit it". Joshua was the new leader with a mantle for a new generation. Joshua had served under Moses in the Tabernacle for many years. A new day was dawning over Israel. God said to Joshua, no man will be able to stand before you but be strong and very courageous, do not be fearful. As far as God was concerned He had already given them the land but they had to step out on the word and possess it. Joshua did not look at the giants or the walled cities but followed the Lord fully.

Here am I Send Me!

How many of us would eagerly choose those words, if the Lord called us as He did Isaiah? in Isaiah 6:8.

At Ripon in September 2005 those very words were read out and they touched my heart. It never ceases to amaze me how the revelation of the Holy Spirit brings with it a richness and fullness that men's words and intellectual argument do not bring. I often liken the scripture to an onion. The skin hides the purifying, sanctifying action of Holy Spirit revelation and it is the thought that nothing good or relevant can come from a book written so long ago. Jesus said: 'It is the spirit that quickeneth; the flesh profiteth nothing: the words that I speak unto you, they are spirit, and they are life'; John 6:63.

The primary layer of the fruit is the storybook of our childhood, but as we progress through each layer the heat and fire of Holy Spirit quickens our understanding with life giving truth. It is truth that takes us from childhood to Sonship – setting us free to take our rightful place as true-born Sons of the Living God. The emphasis must be on the Holy Spirit's revelation ministry, to bring us to an understanding of the Truth - for it is truth we must seek. Too many of us are seeking to be right, having our belief confirmed in favour of another, grimly holding on to what we believe as though that is our salvation.

Of course, it is important that we believe the fundamentals, the foremost encapsulated by Jesus' words to Nicodemus in John 3: 'Ye must be born again'. As we read the recorded words of Jesus we are aware that His ministry was unflinching but the message was simple. It was not bound up in a complex array of beliefs; it did not depend on ritual and careful observance of what really amounts to superstition. What the Father accomplished through Jesus is a comprehensive, fail safe remedy for removing you from the kingdom of darkness to dwell in the Kingdom of the Son of His love, as described by Paul in Colossians 1:9-29, Amplified Bible.

These words are not intended for those foolish virgins who play fast and loose with their salvation, the purity of their redemption. They are intended for those who may get it wrong from time to time but have a sanctified vision, those who seek the Holy Spirit to rule in their lives and seek to operate under the anointing of the Holy Spirit and the guidance of the Father as Jesus did. See John 5:30, Amplified Bible.

The words that the Lord spoke to me after hearing the words of Isaiah at Ripon were these: 'Think not what you can do for Me, but what I can do for you.'

I have had to move from the security of knowing that I have a ministry, I can do it, to knowing that what I have I hold for Giver and I am wholly dependent on the Holy Spirit. There are often only two or three words before the Holy Spirit urges me to my feet – sometimes nothing at all! 'For I determined not to know any thing among you, save Jesus Christ, and him crucified' 1 Cor. 2:2, KJV. The earnest desire that the Lord has brought me to cannot be captured in one particular scripture, but 1 Corinthians chapter 2 comes very close.

I am not interested in what you believe, nor am I interested

in you knowing what I believe – save Christ and Him crucified. The love of God for us, and His whole creation, was expressed through the manifestation of His Son. The Father will once more manifest His love for creation and in particular mankind through the ministry of His Sons in these last days. They shall be as youths, bold and strong, not limited by the fear of past failures but confident in the Lord of Hosts. They shall not speak bland words but operate in the power and demonstration of the Spirit. Men and women striding forward in the power of His might. This world needs to know that we are possessed of a God of love and power, not condemnation and dead doctrine.

Keep praising the Lord and fan the Glory into flame!

Praise God from whom all blessings flow. I hope, as you read this, you are blessed beyond all measure. I am coming to that place in my life, conscious of how much he has done for me. He has taken away so much of my hardness and heaviness and has replaced it with a garment of Praise. Thank you Jesus for all you have done. As the song truly says 'He maketh the rebel a priest and a King!'. God has been doing so much in my life of late and revealing so much to me and I believe it has nothing to do with who I am, it is do with where I live. I am choosing to live in revival in my own life. The Glory way was born under Henri's revival. I am choosing to have my own revival and all of us can! God just does amazing things through you and to you. I can honestly say that living 'where the rivers are flowing' is the best place to be. Your natural, menial life is only secondary to the glorious Spirit realm that we all have the capacity to live in. The articles below and the whole theme of this year's meetings have been that we have been set free 'to rejoice before the throne'....and stay there! Just fan it into flame, praise the Lord on the way to work, when you get out of bed, when you're eating your lunch and when the sun goes down. You'll be amazed how much more effective your walk with God will be and your walk with the people around you.

In the natural we may all be here, but in the spirit we are in heaven worshipping God.

Before Christ, the priests used to offer a sacrifice for sins, but after Christ, our sins have been removed forever. Jesus loves us forever. When he sees us, he doesn't see all the deficiencies. He has made us holy and perfect forever. He sees Christ and He sees us spotless. So remember, as we praise the Lord we are more than adequate in His presence. Keep worshipping the Lord with that knowledge in your heart.

I now know that I love God and He loves me. There is a big difference between knowing Jesus loves you and KNOWING Jesus loves you. When we have a bad patch, He comes and says "I love you", it just lifts you up. The fact that Jesus loves us is the difference between life and death. I would previously have said words about God but it didn't mean anything to me, it was just dead words. Jesus' love is all you need ever. I can now say that all that really matters to me is Jesus's love in my life.

Ashley Webb Anglesea

God loves you. He will never leave you nor forsake you. He'll never leave you alone. When men fail, God never fails. There are times when I can feel down when situations come up to try me, then I cry 'Lord, why me?' then I only need to knock and He answers. There is no one else to turn to but Him. There are times when I think I can do it by myself but He's always there for me. Micah 7 tell us "Who is a God like you, and who forgives sin and pardons transgressions?" As I came to Walton I saw the seashore, it reminded me of that chapter and that my sin is cast into the depths of the sea and remembered no more.

THE NEW CHURCH LAND

ANOINTING
THE SITE

Praise the Lord, James and Theresa have a new daughter Karen Maureen and they have purchased the land for their new Church 100 feet x 83 feet. Work has already started to build retaining walls and raise the level of ground with hardcore to prevent flooding; half of the site now has a solid base. A time of praise and thanksgiving was held at the site and great rejoicing took place on the 7th August as you will see from the pictures.

We believe, as we the Glory People continue to sow into this project to build a Glory Church in Accra, that God will bless us with increase and growth in our own meetings.

So we encourage you to get behind this project, they need up to £20,000 to complete it. We know it's a considerable sum but if we all join in and give what we can we believe it will happen. God will increase our gifts, like He did when He fed the 5000. The

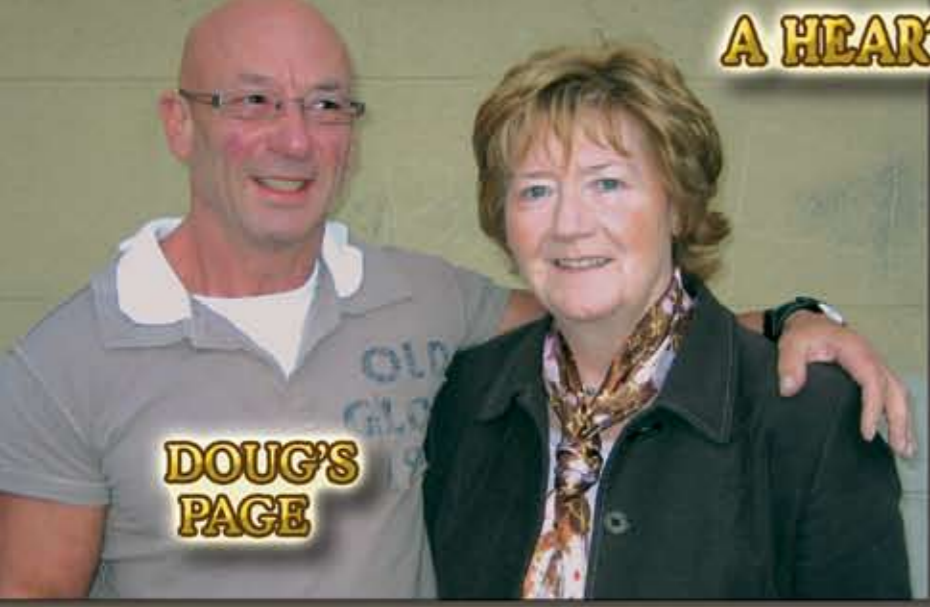

next move is to get planning approval and complete the levelling of the site, for that they need more hardcore and roller hire to consolidate the area. Then they will need money for a concrete foundation, bricks and cement, a roof and internal fitting out and much skilled labour..

Send your donation payable to the Glory People and we will pass it on. Tell us what you want it spent on. Be a part of what God is doing, help us bless this church and God will bless you.

He really has blessed us since we started to support the church in Accra, several African Families have joined us at the Basildon Glory Centre.

A HEART CRY TO THE CHURCH

DOUG'S PAGE

What a year we have had with fresh waters to swim in. At the beginning of the year, I prayed that we needed to move into a different dimension, so to speak and not just become blessing machines. Through personal experiences God has moved within our lives, refining us and showing us a more excellent way through the meetings. His anointing has come upon us so powerfully that often we have been unable to stand in His presence. The team of people who have come together to help run and support the meetings have been given a vision of His ongoing power with signs and wonders following. In our day of comfort in this land of ours the "Church" has almost fallen asleep. We see that there is plenty of performance, organised meetings with programmed singing and speaking but no spontaneous power and demonstration of the Holy Spirit. We have ended up with a purely social Church and not a quickened one. What a challenge it is for us to hold the line and dare to let the Holy Spirit have pre-eminence in our gatherings, allowing Him to touch the hearts of men and women with His love and joy and changing power, delivering the people from religious bondage and form. This Glory Way was born out of much travail and intercession by people who were fed up with the status quo, it became a powerful instrument of the Holy Spirit to spearhead the "Church".

Gordon Davies gave a challenging message about our position in God's purpose. This message destroys the so called power structure of "many are called but few are chosen". The so-called leaders over the years have felt they are the chosen ones and therefore something special but now the truth is out. You have been called it is now your choice to become one of the chosen, but there is a cost, because as HE touches your life, are you willing to bow the knee in obedience to Him. Get hold of Gordon's DVDs, (numbers 2,3,5 and 7) you will hear messages on the cutting edge for our day, they are a challenge, not to tickle your ears as many do with their preconceived ideas but are born out of a lively experience.

The three day convention at the Oasis Centre was another watershed. I remember walking through the door into the meeting on the last night and it flashed through my mind that Alan would not give the notices or take the offering. I thought on reflection what a stupid thought. The meeting started and I found myself taking the mike around the meeting, placing it in front of different people to sing into and I ended up, sat on the front row in the corner. The music stopped and Alan got up with his notices. As he moved to the platform, I thought, "You aren't reading those". He did not, he just started to sing and the anointing came upon us so powerfully that I nearly fell off my seat. After a while

Alan staggered off the platform toward me saying "help me get on to the platform". I placed my arms on the two singer's shoulders and they hit the deck, with me following. Get DVD 6 or video 263 to see what followed.

The holiday convention this year was truly powerful with Jesus in our midst and being lifted up. The Holy Spirit just touched people where they sat with spontaneous outbursts of laughter and joy. The power of God was so strong at one meeting that as I ministered with the laying on of hands, I could not stand up. Help was at hand with Keith Scrimshaw holding me up and the anointing moving through us both in great deliverance, many lives being changed and healings taking place on all levels. Thank you Jesus.

There is a fresh wave brother and sister. Enter in and let Him touch you, do not sit on the sidelines. It is important that we grow up in Him. He will teach you, speak to you, show you. Men's preaching and words can only be at best a witness to the truth but you cannot live on that, you have to take and eat of the bread of life, not another man's scraps. Start to praise Him and tell Him you love Him if you truly do. Praise is an act of the will, your will – do it – then centre your mind on Him and you will enter the inner temple where worship takes place. This is a spontaneous experience, a place of great ecstasy and power. It cannot be taught. Come on folk, throw away all the religious truck that fetters you, stand up and be counted, get to where the Holy Spirit has true free course; enter in, then take it back to your church and challenge the status quo. Wake up to reality, seek God with intercession and prayer so that He may break through and cast aside all the man made, ear tickling rubbish that goes on in our Christian meetings in this country, giving the guise of spirituality. It has been prayed by Christians, "Send a revival Lord". If He does and is doing, the first to run away are Christians. Do not kid yourselves that you have moved on. The foundation of the true Gospel is ever the same as it was on the day of Pentecost, experienced by the early church and intermittently over the generations by the Holy Spirit moving upon and within the hearts of those who are hungry for Him. Today is your day, yesterday is gone and but a memory; tomorrow will never come, as we live in the now. We are in the great adventure of the last days. JESUS is coming soon. .

Much love to you all in Jesus, Doug Alstrup

GOD IS IN CONTROL

In the Glory Convention of 2004, a very seriously ill man, Kim Rogers, was prayed for. The following is what the update was at the 2005 Convention.

Flashback to the Testimony of Kim Rogers 2004 Convention
 The last few years I have had health problems. I was down to eight stone and I really felt that nothing worse could happen. When I was in hospital, I had found out that my wife was having an affair and she had gone back on to drugs. She had been gloriously delivered from drugs in 1976. But the word has come out tonight, "God's in control" and someone said it again. You must believe this, regardless of circumstances or what anyone says – in the end God is in control and we must trust in this. Doug has prayed for me and told me to go home and lay hands on my wife. I could not guarantee that she will be there and anyway the last time I laid hands on her, she hit out at me. So it is not going to be that easy. But your prayers are appreciated to give me the strength to do this. When you look into the eyes of a person who has problems, you realize that there is another force driving them. So your prayers would be greatly appreciated to help me do this.

Glory convention 2005 Testimony of Kim
 One year ago, I was in the meeting feeling very depressed. My health was atrocious, I had had major surgery and my marriage had broken down. I came into this atmosphere and the Lord spoke to me and said He was in control, regardless of how I felt I had to just keep looking to Him and He would sort everything out. I had been trying to do this for years in my own head. I was in Christ, born again, baptized in the Holy Spirit, but I still couldn't get the victory. So I just handed it all over to the Lord. Doug prayed for me and I was on the floor. Here the Lord really ministered to me. Doug said to me to go home and lay hands on my wife. Now that was a pretty dangerous thing to do. I was very nervous about it. But I knew that I had to be obedient because I knew that something was happening that night and I was being healed. So I went home but my wife was not there. She came home on the third night and I thought that maybe I could get out of doing this. But the Lord told me that I had to be obedient. Eventually I plucked up the courage and I went to my wife and said to her that the Lord had told me to lay hands on her. You should have seen the look I got – absolutely frightening! But I prayed for her in tongues which was something that I had not done for a long time. She did not lash out or say anything, she just took it. I just felt such a tremendous anointing of the Lord at that stage and I knew that something was happening. I stood in awe of what was happening because all this time I had been trying to do things in my own strength. The minute I stepped back, it was so marvellous how the Lord helped me to do the things that I just could not believe were possible. people that would be very welcome but not to me. I now have a full time job in a school. Last year I was eight stone now I'm eleven stone and the Lord has really blessed me. It has all just happened this past year and it is so fantastic. My wife came along to a meeting and re-dedicated herself to the Lord. God touched her in a wonderful way. This business of laying on of hands really works. Let's not get upset if someone lays hands on us, let's just enjoy what the Lord has for us. I encourage this and thank you all so much for your prayers. The blessing is just going on and on like a wave it is spreading out. It is so wonderful.

Glory convention 2005 Testimony of Sandy
 The Lord brought me back. I was saved in 1976. I was a drug addict and dealer and the Lord set me free from all of that. Then as I went on we had troubles in our marriage and I went back into the world. This time I went back on to harder drugs – crack and cocaine. Then after my husband laid hands on me, things began to change. I re-dedicated my life to the Lord. I was expecting and willing to go through the withdrawal symptoms – but I did not. I was willing to suffer but I did not have to! The Lord set me free, He took me back, gave me another chance and healed my marriage.
